Tune to G (32" or 30"), C (26" or 25"), F (piccolo)

A man had a donkey

who worked hard in the fields all year, but was now getting old and weary.

One day the man decided it was time to 'trade him in'.

The Donkey, who wasn't daft, and fancied himself as a fine musician decided to leave for the town of Bremen where he would join its famous band.
